This is a complaint to the Calgary Assessment Review Board in respect of a property assessment prepared by the Assessor of The City of Calgary and entered in the 2010 Assessment Roll as follows:

ROLL NUMBER: 058110305

LOCATION ADDRESS: 108 10th Street NW.

HEARING NUMBER: 57772

ASSESSMENT: \$706,000

This complaint was heard on 12th day of July, 2010 at the office of the Assessment Review Board located at Floor Number 4, 1212 – 31 Avenue NE, Calgary, Alberta, Boardroom 10.

Appeared on behalf of the Complainant:

- J. Goresht Property Owner

Appeared on behalf of the Respondent:

- D. Zhao Assessor, City of Calgary

Board's Decision in Respect of Procedural or Jurisdictional Matters:

No procedural or jurisdictional matters were raised.

Property Description:

The subject property is a single storey retail store, located at 108 10th Street NW, Calgary, Alberta, near the junction of 10th Street and Kensington Road.

Issues:

Is the assessment of the subject property fair and equitable, or correct?

Complainant's Requested Value:

\$373,000

Board's Decision:

The Complainant provided a number of assessment comparables from 10th Street and Kensington Road NW which appeared at first glance to show that the subject property was over-assessed. The Complainant, however, failed to provide any information with respect to differences in retail, storage and other space that may have played a role in the difference in assessment between the comparables and the subject property. Without that information, the Board was unable to determine the comparability of the Complainant's comparables.

The Complainant also submitted three sales of retail property, one at 300 14th Street NW, one at 326 14th Street SW, and another at 221 19th Street NW, showing a price per square foot of \$471.00, \$229.00 and \$467.00 respectively. The Board accepted the evidence of the assessor that one of the sales was a leaseback, and the other a forced sale due to a foreclosure. In any event, none of the properties were located in the vicinity to the subject property.

In the board's view, the Complainant failed to meet the onus of establishing a *prima facie* case. Accordingly, the complaint is dismissed, and the assessment is confirmed at \$706,000.

DATED AT THE CITY OF CALGARY THIS 28 DAY OF July 2010.
