Preliminary or Procedural Matters:

A Preliminary Matter was brought forward by the Complainant relating to their request for information, from the Assessor, under Sections 299 and 300 of the Municipal Government Act (MGA) and the ensuing response from the Assessor which the Complainant maintains did not meet the requirements of Section 299 of the MGA.

This same Preliminary Matter was brought forward by the Complainant in an earlier CARB Hearing and it was agreed by both parties that the Decision of the CARB pertaining to same would be carried forward and become applicable to this Hearing as well. Accordingly the CARB refers the reader to CARB Decision #0776-2012-P which provides more detail as to the decision of the CARB to allow the Assessor to submit their assessment brief in its totality.

As a matter of Procedure, and with the agreement of both parties, the CARB heard, in this same week and from these same Parties in Hearing #67234, an extensive capitalization rate argument and all of the evidence and argument related to same is now carried forward and becomes applicable to this Assessment Complaint, as well as other Complaints scheduled to be heard by this same panel of the CARB, with the same parties, this same week.

Issues:

There are a number of interrelated issues outlined on the Assessment Review Board Complaint form; however, at the Hearing the Complainant reduced the issues to be considered by the CARB to:

1. The Assessor's applied capitalization rate of 7.25% is excessively low and not reflective of the market conditions as at the designated valuation date and the resultant assessed value is incorrect. The appropriate capitalization rate should be 7.75%.

Complainant's Requested Value: \$17,880,000. (Exhibit C1 pg. 23)

Party Positions:

Complainant's Position

The Complainant's evidence and argument relating to the capitalization rate issue is the same as that presented to this same CARB in Hearing # 68396 (CARB Decision #0776-2012-P) and as agreed to by both parties and the CARB (refer to Procedural Matters) all of that evidence and argument pertaining to this issue is deemed applicable to this Hearing.

Respondent's Position

The Assessor's evidence and argument relating to the capitalization rate issue is the same as that presented to this same CARB in Hearing # 67234 and as agreed to by both parties and the CARB (refer to Procedural Matters) all of that evidence and argument is deemed applicable to this Hearing.

Board's Decision:

The assessment is **reduced** to \$17,880,000.

Decision Reasons:

The Reader is referred to CARB Decision #0776-2012-P for further details regarding this decision.
