Board's Decision in Respect of Procedural or Jurisdictional Matters:

The Complainant, having reviewed the submission prepared by his office for this Hearing and, recognized that it is essentially identical to the Complainant Exhibits submitted to this same panel of the CARB in earlier Hearings this week which were found by the CARB to be inconsistent and erroneous in their content and lacking substance, made the determination that it would be pointless to submit same to the CARB once again and requested that the assessments of both properties be confirmed.

The CARB agrees with the Complainant in this matter.

Board's Decision:

The assessment is **confirmed** at: **\$4,510,000**.

Reason(s) for Decision

Refer to the Preliminary Matter.
