This is a complaint to the Calgary Assessment Review Board in respect of a property assessment prepared by the Assessor of The City of Calgary and entered in the 2011 Assessment Roll as follows:

ROLL NUMBER: 115065302

LOCATION ADDRESS: 8241 30 ST SE

HEARING NUMBER: 63614

ASSESSMENT: \$5,840,000

This complaint was heard on the 4th day of July , 2011 at the office of the Assessment Review Board which is located on Floor Number 4, at 1212 – 31 Avenue NE, in Calgary, Alberta, in Boardroom 1.

Appeared on behalf of the Complainant: John Smiley (Agent)

Appeared on behalf of the Respondent: Ian Baigent (Assessor)

Board's Decision in Respect of Procedural or Jurisdictional Matters:

At the start of the hearing, it was apparent that the clerks felt the Complainant's disclosure was late, so, the file package had no Brief from the Complainant. There was, however, a complaint form with attachments, and a filed Complainant's rebuttal brief. The Respondents brief was on the file. Documentation on the file showed that the Complainants brief was received by email at 12:38 AM of the morning following the proscription date.

The Complainant argued that he felt that information was incorrect, and that he had transmitted the documentation before midnight. He asked that the matter stand down, so he could check his office file to see if he could find evidence of an earlier transmission from his office to the ARB. That time was allowed and the matter stood down.

Two days later, when the matter was recalled, the Complainant was not able to provide any further clarification nor documentation, in spite of his suggestion that the clerks were incorrect. Based on that, the Board found that the disclosure package was late, and therefore did not allow the Complainant to put any additional disclosure or documentation into evidence.

Immediately subsequent, the Complainant asked for an adjournment so that he could research the matter further. The Board had received no prior notice of an adjournment request, and the Complainant could not, in the eyes of the Board, further justify the adjournment request.

The adjournment request was denied. The Complainant was then invited to proceed with his argument based on what had been properly filed in a timely fashion.
