PROCEDURAL MATTERS

The parties indicated that they had no objection to the constitution of the Board. The Board members indicated that they had no bias with regard to the matter.

BACKGROUND

The subject property is a 28,980 square foot single tenant office / warehouse built in 1978 and located in the Coronet industrial neighbourhood. The 2011 assessment is based on the direct sales comparison approach to valuation.

ISSUE(S)

Is the 2011 assessment of the subject property at \$3,324,500 fair and equitable?

LEGISLATION

Municipal Government Act, RSA 2000, c M-26

s 467(1) An assessment review board may, with respect to any matter referred to in section 460(5), make a change to an assessment roll or tax roll or decide that no change is required.

s 467(3) An assessment review board must not alter any assessment that is fair and equitable, taking into consideration

- a) the valuation and other standards set out in the regulations,
- b) the procedures set out in the regulations, and
- c) the assessments of similar property or businesses in the same municipality.

POSITION OF THE COMPLAINANT

The Complainant presented evidence (C-1) and argument for the Board's review and consideration.

The Complainant presented seven time adjusted sales and equity comparables (C-1, page 1) to support a requested reduction of the 2011 assessment from \$114.71 to \$100.00 per square foot. The Complainant indicated that the most weight should be placed on sales comparables #2, 3 & 6 as these properties had the most physical characteristics in common with the subject property.

The Complainant noted that the time adjustments used in the analysis (C-1, page 20) were the same adjustments utilized by the Respondent for industrial properties.

The Complainant made note that the subject property's area of 28,981 square feet included 5,400 square feet of basement space.

The Complainant requested the 2011 assessment be reduced from \$3,324,500 to \$2,898,000 (C-1, page 2).

POSITION OF THE RESPONDENT

The Respondent presented evidence (R-1 & R-2) and argument for the Board's review and consideration.

The Respondent outlined the mass appraisal process and the factors found to influence value in the warehouse market (R-1, pages 4 to 8).

The Respondent indicated that basement space was not valued by the City in preparing the assessment.

The Respondent presented five time adjusted sales comparables (R-1, page 19) to support the 2011 assessment of \$114.70 per square foot.

The Respondent also presented six equity comparables (R-1, page 20) to support the 2011 assessment of the subject property.

The Respondent requested that the 2011 assessment be confirmed at \$3,324,500.

DECISION

The decision of the Board is to confirm the 2011 assessment of the subject property at \$3,324,500 as fair and equitable.

REASONS FOR THE DECISION

- 1) Upon review and analysis of the evidence and argument presented by the parties the Board finds that the 2011 assessment of \$3,324,500 is appropriate for the subject property.
- 2) The Board considered the Respondent's sales comparables (R-1, page 19) as the most similar to the subject property with respect to location, age, size, and site coverage. These sales comparables supported the 2011 assessment of the subject property at \$114.71 per square foot.
- 3) The Board also found that the Respondent's equity comparables (R-1, page 20) were most similar to the subject property with respect to location, age, condition, size and site coverage and further supported the 2011 assessment at \$114.71 per square foot.
- 4) The Board placed less weight on the sales comparables (C-1, page 1) presented by the Complainant as they generally varied from the subject property with respect to location, size and site coverage.
- 5) The Board finds that the 2011 assessment of \$3,324,500 for the subject property is fair and equitable.

DISSENTING OPINION AND REASONS

There was no dissenting opinion.

Dated this 2nd day of November, 2011, at the City of Edmonton, in the Province of Alberta.

Tom Robert, Presiding Officer

This decision may be appealed to the Court of Queen's Bench on a question of law or jurisdiction, pursuant to Section 470(1) of the Municipal Government Act, RSA 2000, c M-26.
