#### **PRELIMINARY MATTERS**

None.

#### **ISSUE(S)**

Both parties agreed to correct some factual matters on the subject property that resulted in a proposed recommendation.

## **BACKGROUND**

The subject property, known as the Hemisphere Building, comprises approximately 28,435 sq. ft. and is located in the Queen Mary Park neighbourhood

## **LEGISLATION**

*The Municipal Government Act, R.S.A. 2000, c. M-26;*

s.467(1) An assessment review board may, with respect to any matter referred to in section 460(5), make a change to an assessment roll or tax roll or decide that no change is required.

s.467(3) An assessment review board must not alter any assessment that is fair and equitable, taking into consideration

- (a) the valuation and other standards set out in the regulations,
- (b) the procedures set out in the regulations, and
- (c) the assessments of similar property or businesses in the same municipality.

## **POSITION OF THE COMPLAINANT**

The Complainant's position, according to the complaint form, is that, among other things, the property was not fairly and equitably assessed in relation to similar properties.

## **POSITION OF THE RESPONDENT**

A pro-forma statement (R1) was submitted and accompanied by oral testimony from the Respondent indicating that the subject property is a "C" class building.

The Respondent proposed to change the district classification from 118 Avenue to 124 Street. This would result in a reduction of \$1/sq. ft. from \$11 to \$10/sq. ft. for the office component.

As a result of the proposed changes, the Respondent recommends a reduction in the total 2010 assessment to \$2,930,000.

## **DECISION**

The Board's decision is to accept the recommendation of the Respondent and to revise the assessment for the subject property for 2010 from \$3,241,500 to \$2,930,000.

## **REASONS FOR THE DECISION**

The Board accepts the mutually agreed upon revisions and the resulting revised assessment.

Dated this twenty-fifth day of October, 2010 A.D., at the City of Edmonton, in the Province of Alberta.
