

## Municipal Census Manual

**The *Municipal Census Manual* provides a step-by-step guide for census taking at the municipal level. It assists census coordinators and enumerators in complying with the Determination of Population Regulation and all other procedures and policies related to the census.**

The manual contains a list of mandatory requirements for conducting a census, as well as a number of guidelines and recommendations.

The manual is available on line at [municipalaffairs.alberta.ca/mc\\_official\\_populations.cfm](http://municipalaffairs.alberta.ca/mc_official_populations.cfm).

Questions concerning this Municipal Census Manual, or further information on census methodologies, terms, and techniques for conducting a census are welcome and can be directed to:
