ED-2009-001

Elevating Devices Codes Regulation

NOTICE TO OWNERS:

This STANDATA is being issued by Alberta Municipal Affairs and the Safety Codes Council's Elevator Technical Council to inform elevator owners that there is a new Elevating Devices Codes Regulation AR 62/2009.

INTRODUCTION:

On March 18, 2009 the Elevating Devices Codes Regulation AR 62/2009 was approved by Cabinet. The regulation comes into force in Alberta on **May 1, 2009**.

The new regulation adopts:

- ASME A17.12007/CSA B44-07 Safety Code for Elevators and Escalators; and
- CAN/CSA B355-00 and the CAN/CSA S1-02 Supplement No. 1

To assist in the complying with the new regulation, all elevator contractors and elevator mechanics should have access to the new regulation and codes noted above if they are carrying-out activities regulated under AR 62/2009.

Note: 1

Copies of the new regulation may be obtained through Queen's Printers website (www.qp.gov.ab.ca). To go directly to the regulation [click here](#).

Note: 2
